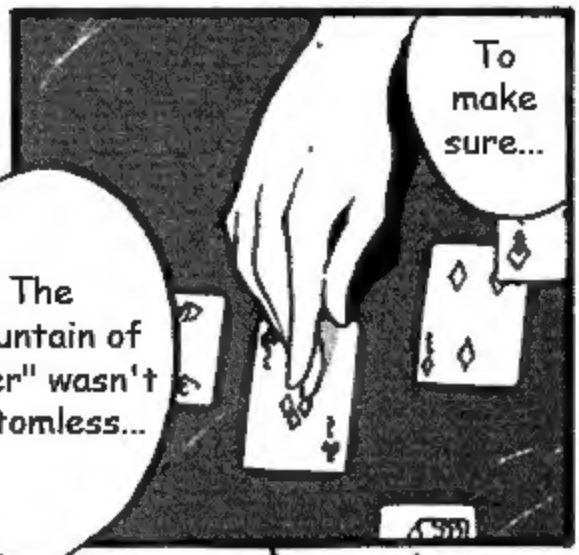
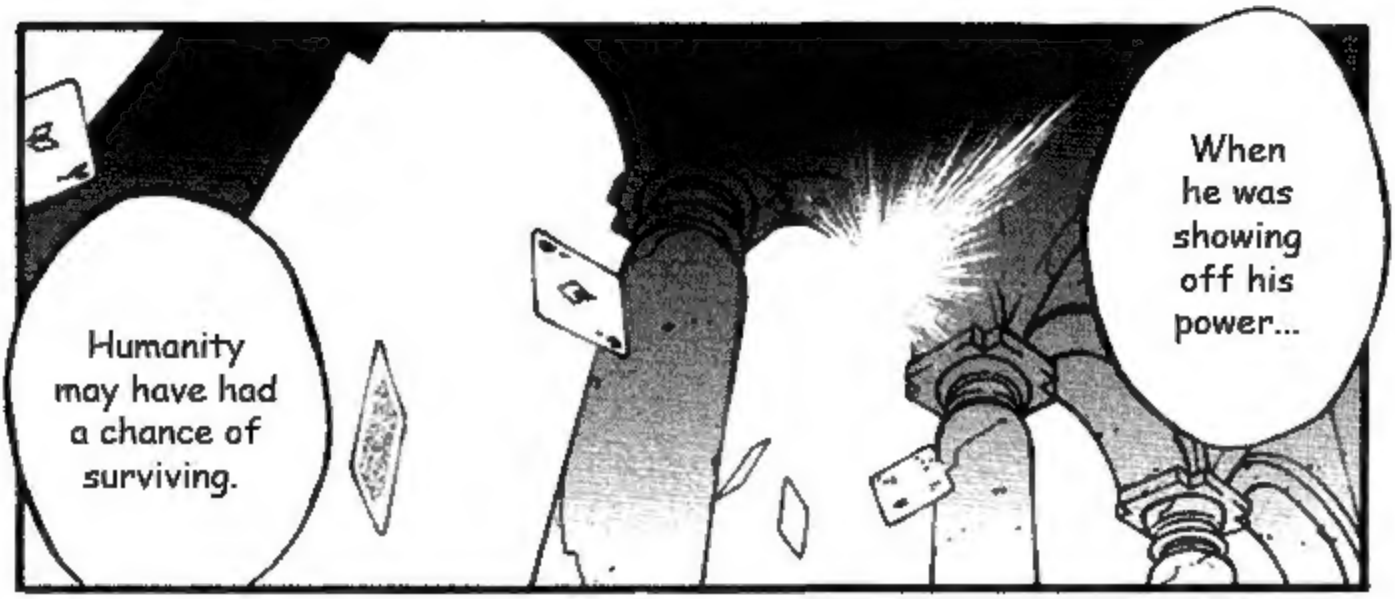
This means that things are going to get interesting, right?
So,

But..



The "Fountain of Power" wasn't bottomless...
To make sure...



Humanity may have had a chance of surviving.
When he was showing off his power...

He wont be careless anymore.
He's not going to use up all his power for nothing.

I'm enjoying this.
His appeal hasn't dwindled at all!
Leave it to him!
AHAHA HAHA HAHA!
He he he!
Heh!
How interesting. I've got my hopes set on you.
Yes.
So the only one who can stop him is his younger brother.

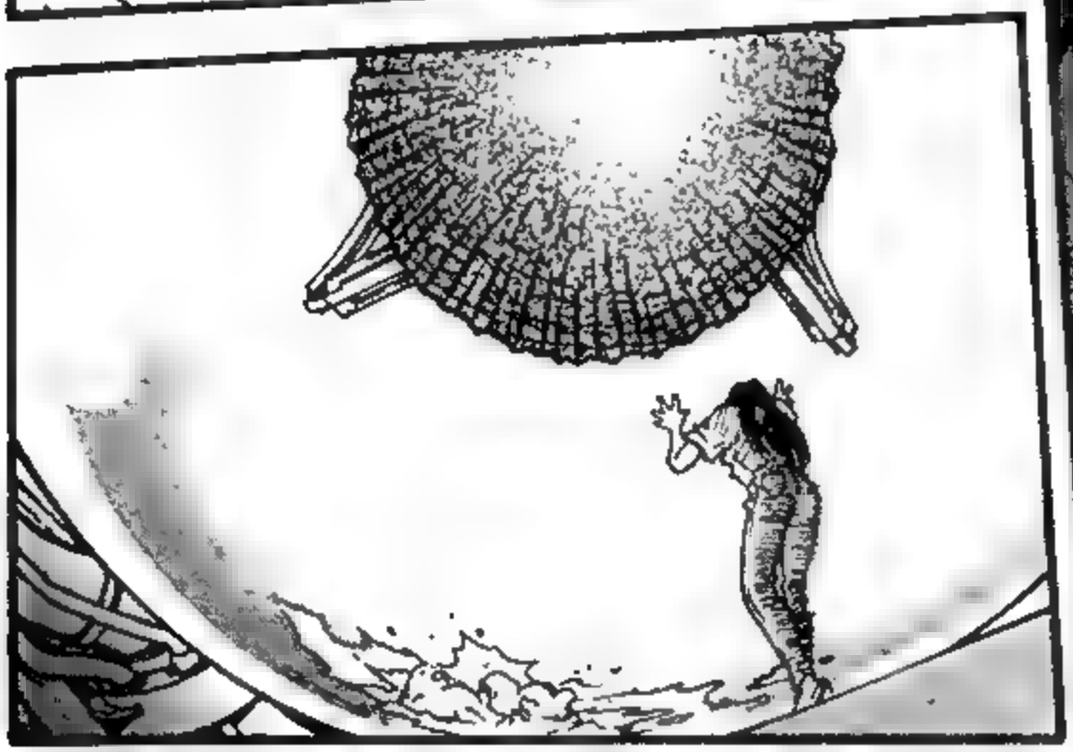
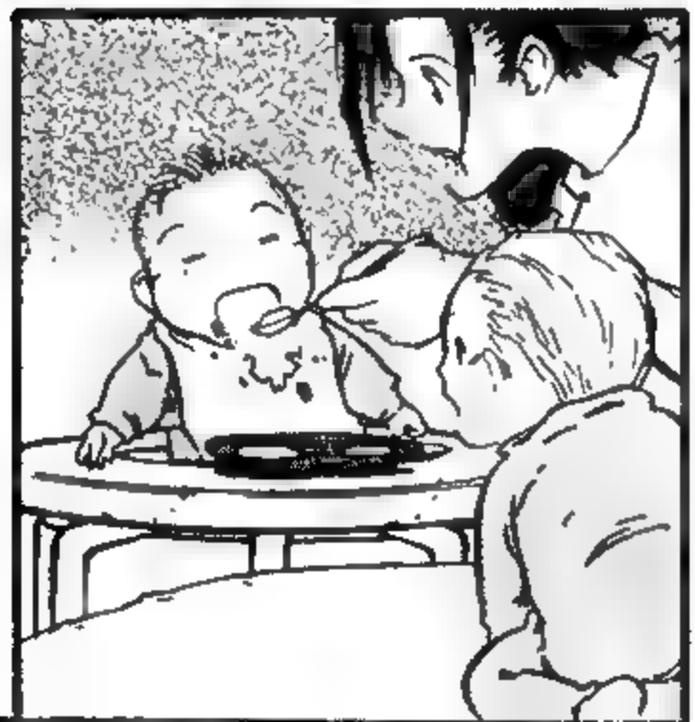
It feels as if time hasn't passed at all.



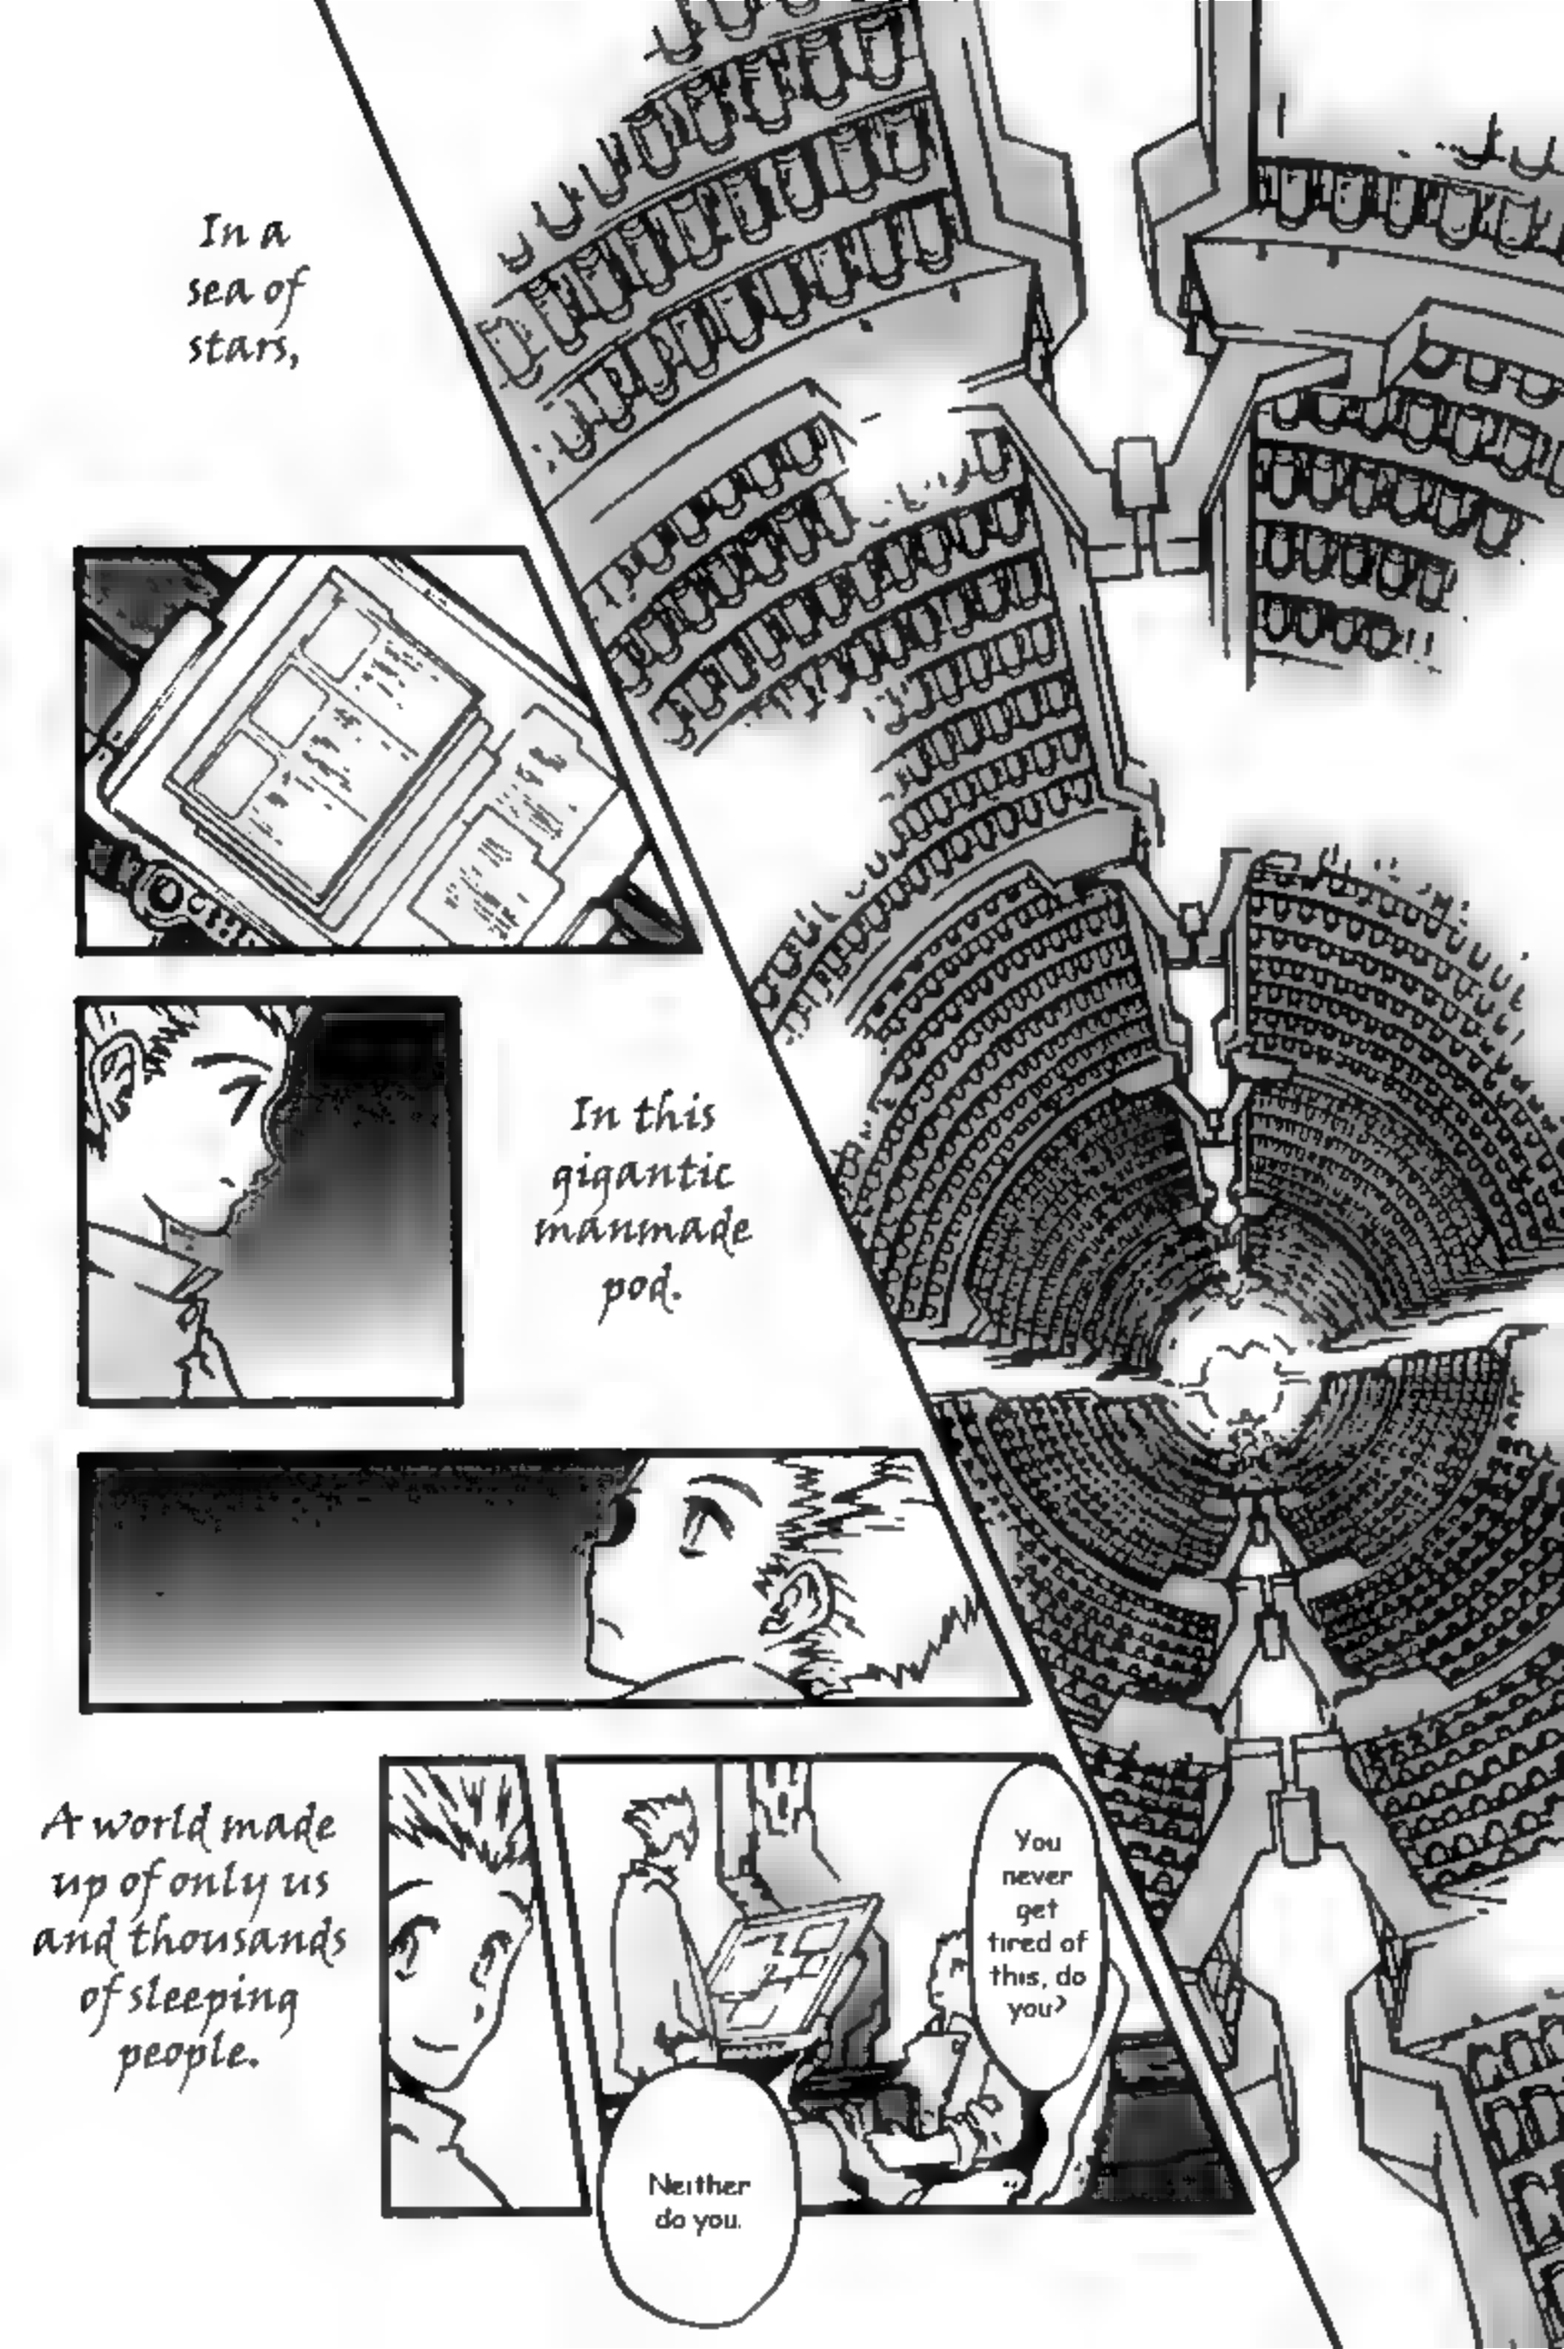


It's been a great year.

It's as if I took a shortcut to instant mother-hood.

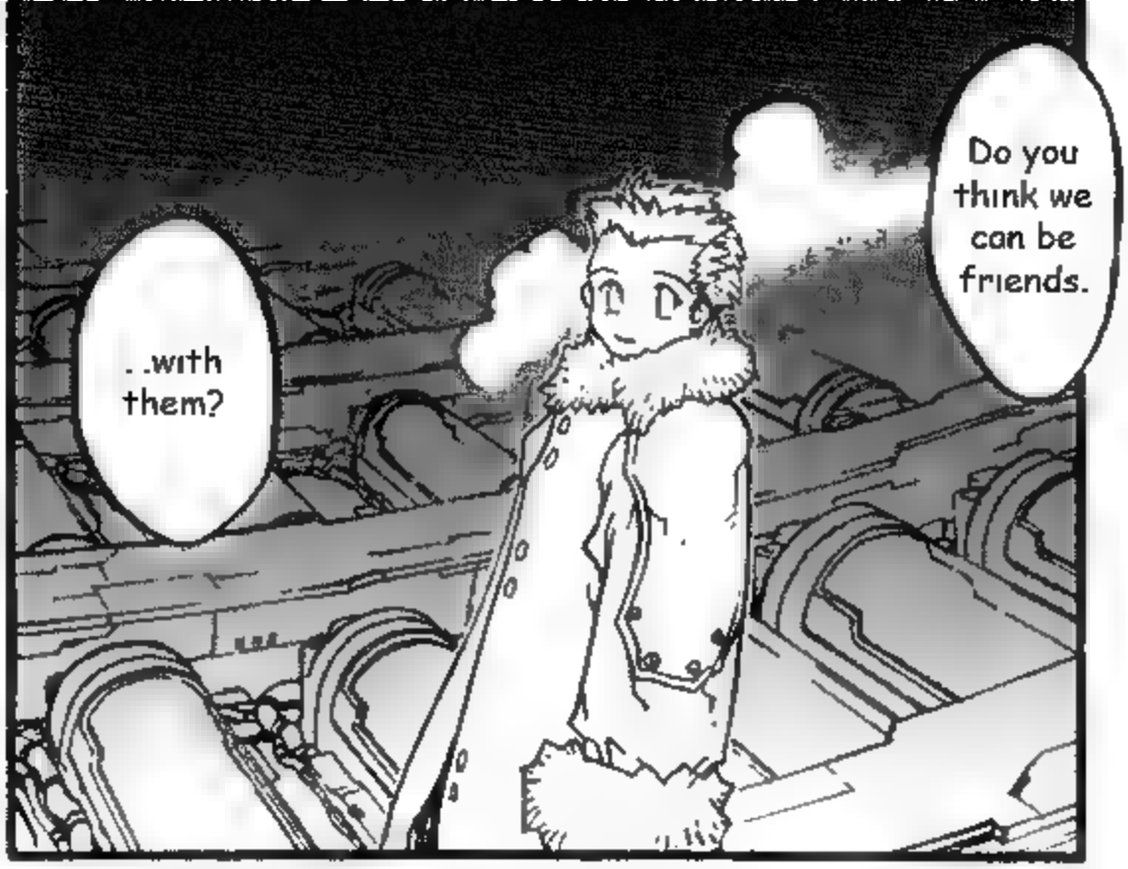
She looked so kind.

But somehow, her smile seemed sad.



In a sea of stars,
In this gigantic manmade pod.
A world made up of only us and thousands of sleeping people.
You never get tired of this, do you?
Neither do you.

She's so cute!
Ah
Aren't their brain waves stopped?
I wonder what they dream about
Hey.
Vash .



Do you think we can be friends.
..with them?

Yeah
It might take a lot of effort though.

I know.

Not everyone is as nice as Rem.

But they created the plants.

I want to believe that they will accept us.
